ResveraSirt-HP®

Why you may need ResveraSirt-HP®: ResveraSirt-HP® is a specialized, high potency trans-Resveratrol formula developed to support vascular integrity and healthy aging. Resveratrol has been shown to impact a diverse array of biochemical and physiological actions, and offers promising potential in promoting optimal wellness. Resveratrol has also been shown to provide significant antioxidant protection, to be cardioprotective, to down-regulate proinflammatory mediators, and to stimulate Sirtuin enzymes. In mammals, the seven Sirtuin proteins impact DNA repair and recombination, cell survival and energy metabolism via selective gene expression. In studies, resveratrol has been shown to mimic caloric restriction, which in mammals has been shown to increase life expectancy by more than 30 percent!

Why your healthcare practitioner recommends ResveraSirt-HP® from Biotics Research:

ResveraSirt-HP® is one of the highly popular SIRT- line of products that were developed and formulated in cooperation with Dr. Mark Houston, Associate Clinical Professor of Medicine at Vanderbilt Medical School and Director of Hypertension Institute and Vascular Biology in Nashville, TN. Each capsule of **ResveraSirt-HP®** supplies 250 mg of purified trans-Resveratrol. In addition to Resveratrol, the formula is enhanced by the addition of quercetin and IP-6. Quercetin has demonstrated the ability to decrease resveratrol metabolism, allowing for a longer half-life, while IP-6 functions as a strong metal chelator, adding stability to the formula. Unlike many competitors' products, Biotics Research is resolute in using a concentrated and purified form of resveratrol. This premium grade resveratrol, not only ensures optimal potency, but it allows patients to avoid the potential for gastric distress – which is a common complaint amongst those taking inferior quality resveratrol. As always, you can count on Biotics Research Corporation to offer superior nutritional products supplying "The Best of Science and Nature".

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Trans-Resveratrol (purified extract)	250 mg	*
Quercetin	25 mg	*
Calcium magnesium phytate	25 mg	*
*Daily Value not established		

Other ingredients: Microcrystalline cellulose and capsule shell (gelatin and water).

RECOMMENDATION: One (1) capsule each day as a dietary supplement or as otherwise recommended by your healthcare professional.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area.

Sealed with an imprinted safety seal for your protection.

NDC# 55146-02930 Rev. 9/11
